

"LAST WORD" ISSUED BY B. M. JEWELL HEAD OF R. R. SHOP UNIONS

Two Possible Means of Avoiding Strike Present Themselves—Railway Labor Board Can Assume Jurisdiction—Can Order Men Back if Strike Interrupts Commerce

(By The Associated Press)
CHICAGO, June 28.—Two possible means of warding off the threatened rail strike of 400,000 shopmen suggested themselves to railroad circles tonight following what B. M. Jewell, head of the shop unions, termed the "last word" to the railroads in the union ultimatum sent to the association of railway executives last night.

The executives, by coincidence, were to meet in Chicago tomorrow afternoon and local railroad executives today said the shopmen's proposal of a truce pending further negotiations on wages and working conditions undoubtedly would receive attention.

President Jewell's telegram last night to T. DeWitt Cuyler, chairman of the executives, left little leeway for avoiding the strike, it was felt by railroad officials today. They characterized the union demands that the 60,000,000 wage cut ordered by the railroad labor board July 1 be stayed, that rules abolished by the board be restored, and that farming out of railroad work be discontinued, as "impossible" and "unreasonable."

FOUR COURTS IN DUBLIN SCENE OF ALL DAY BATTLE

Free State Troops and Insurgents Battle Until Late at Night

(By The Associated Press)
DUBLIN, June 28.—Michael Collins, head of the Irish Free State government, took active measures today against the Republican insurgents under Rory O'Connor, in their stronghold in the center of Dublin, four courts. An ultimatum for the surrender of the insurgents was ignored and at the expiration of a brief time limit, free state troops in armored cars and motor lorries began a movement against the insurgents, which was met with an immediate fusillade from the building.

From dawn until late tonight there were heavy exchanges at intervals the firing ceased. Small artillery, trench mortars and machine guns were employed by the attacking forces, but the regulars confined themselves largely to machine gun sniping and fire. No attempt was made to carry four courts by assault, but one of the walls of the building was breached at various places.

The casualties are few in proportion to the nature of the fighting and they consist for the most part of civilians caught in the line of fire. So far as is known tonight seven were killed and a score more or less seriously wounded. This does not include any casualties that may have been suffered by the irregulars, these being impossible to ascertain.

Less than 1,000 free state troops are engaged in the present operations, and it is known that the regulars number several hundred. The land rifle men were obliged to evacuate several buildings during the battle, but immediately took up new positions which evidently had been prepared in advance.

The free state troops did not interfere with activities at Republican headquarters in Suffolk street, where Eamon DeValera and his colleagues met as usual. DeValera declined to make any statement on the situation.

The provisional government, once it decided to suppress the revolt of the irregulars, acted immediately and took efficiently all the usual war measures. It is handling the situation entirely alone, without any assistance from British troops who are still on garrison in Dublin.

The government is controlling the movements of the public firmly but with a minimum of interference in the ordinary life of the city. Even within a short distance of the fighting, business proceeded normally and the afternoon there was some slackening of the traffic in the streets. A visitor might have noted nothing unusual beyond the sound of artillery and the rattle of rifle fire at intervals, often in unexpected explosions.

Citizens lined the quays and bridges to watch the battle and a large holiday boat load of excursionists from the Isle of Man watched the spectacle.

CHINA MAY ADOPT FEDERAL SYSTEM LIKE THAT OF U. S.

Suggestion Endorsed By General Wu Pei Fu

(By The Associated Press)
PEKING, June 28.—General Wu Pei Fu, dominant figure of northern China, today endorsed the suggestion of General Chen Chiung-Ming, outstanding leader of the south, that a federal system be adopted for reunited China, patterned after that of the United States of America. General Wu suggested that the re-organized republic be known as the "United States of China."

The majority of the provinces have signified their approval of the proposal to reunite the country under a federal government at Peking, with each province enjoying rights similar to those accorded the separate states of the American union, General Wu said.

The quiet little man who drove the Manchurian war lord, Chang Tso-Lin in rout from Peking and recalled to office the constitutional president Li Yuan-Hung, declared that sentiment is growing in favor of the United China program with American ideals as its guiding star. He said he had received telegrams from the people's leaders in Yunnan, Hunan, Kweichow, Szechuan, Kwangtung and other provinces promising their support.

Wu asserted he had no hesitation in predicting that as China traveled the road of progress she would be found copying and putting into practice America's ideals to an extent not reached by any other country.

In the south, Wu said, where Sun Yat Sen's followers had been accustomed to western methods, the new leader there Chen Chiung-Ming, who recently drove Sun from Canton, was a particularly strong supporter of the "Americanization" program.

Autonomy Similar to States
Wu Pei Fu pointed out that, while a central government should be maintained at Peking, the great distances that separated the boundaries of the country made it imperative that the provinces should be permitted a measure of local autonomy similar to that possessed by states of the American union.

This question of provincial autonomy, Wu suggested, should be settled at the next session of the revived republican parliament which is expected to obtain a quorum for a meeting in Peking by August 1.

Support for the proposal that China adopt western ideas is said to be strong in Peking owing to the presence there of many Chinese officials who have been educated in America.

Leaders of this class are Dr. Wellington Koo, who is acting as financial adviser in the reorganization plans; Dr. W. W. Yen, acting premier and foreign minister; and Dr. Wang Chung-Hui, minister of justice.

Men Protecting Mines Will Not Be Molested

(By The Associated Press)

HERRIN, Ill., June 28.—Pump men and maintenance crews at three mines of the Madison Coal Company, near Carterville, Ill., will return to work tomorrow, W. J. Moorehead, president, announced tonight. The men, all office employees and mine bosses, quit work Monday night following posting of placards warning them to go home, and the firing of shots by men in automobiles. President Moorehead conferred with union officials and the maintenance employees today and announced later he had been promised that his men would not be molested if they returned. Frank Farrington, president of the Illinois Mine Workers, telegraphed officials of the union today to see that their followers stayed away from the shafts.

Mr. Moorehead said considerable damage had been done to the three mines of his company as a result of what is known as "wet shafts" fed by many subterranean springs.

Williamson county was quiet today. Three of the 12 non-union men wounded in the massacre last week, left the hospital this morning and were escorted to the train by a guard furnished by Mayor Pace and union officials. The three, Robert McLennon, William Cairnes and Sherman Holden, all returned to their homes in Chicago. The condition of four of the remaining nine is serious and at least two may die, according to Dr. J. T. Black, owner of the Herrin hospital.

Residents of Herrin today objected to newspaper accounts of a club banquet held across the street from the local hospital last night. The banquet, installing a local chapter of an international club, was planned three weeks before the shooting affair of last week, members of the club and city officials explained.

There was no connection between the club celebration and the presence of the wounded men across the street. After the banquet, the club members in fact sent a quantity of fried chicken and other delicacies to the injured strike breakers.

FINISHED COPY OF CONSTITUTION IS CLOSED WEDNESDAY

Members Finished Work and Return to Sign Document Sept. 12

(By The Associated Press)
SPRINGFIELD, Ill., June 28.—Fifty-six votes tonight closed the finished copy of the proposed state constitution which will be submitted to a vote of the people of Illinois on December 12. The end of the work of the convention came at 5:05 p. m., after work which has continued intermittently for more than two years. Delegates will return on September 12, to sign the enrolled official document, which will be deposited at that time with the secretary of state.

Only fifty-six of the 102 delegates were present to cast the final vote, although twelve were absent attending the funeral of the wife of Governor Small.

Polls were left open so that twelve votes may be added upon their return here tonight. There were no votes cast against the finished document, the last antagonism having died down last night when the attempt to amend the revenue article failed, 36 to 17.

President Richard Woodward of Ottawa gave out the following statement:

"The vote on third reading brings to a close the labor of a period exceeding two years. A frequent return to our homes to consult with our constituents was deemed necessary. Because the delegates did so a document reflecting more nearly the views of the people has been adopted.

"It was inevitable that there should be sharp conflict of opinion. Republics do not possess the unanimity of a despotism. Out of conflict of opinion compromises necessarily emerged. Compromises in the security of posterity. The compromising spirit of conflicting sentiments has been laudable. Partisan politics did not mar deliberations. Deadlocks arose from nothing more than sincere convictions. Maturity of thought, policy and expression is evidenced by the completed task.

"The finished product of our labors is submitted with the serious consideration of our fellow citizens of Illinois. After full deliberation and exchange of views, the changes proposed in our fundamental law were deemed to be either necessary or expedient. If the people of this state will approach the consideration of our work in the same broad spirit of patriotism which has marked our deliberations I feel confident that our labors will meet their approval."

WEATHER FAVORABLE FOR CROP GROWTH DURING PAST WEEK

Weekly Review Issued by Weather Bureau at Washington Yesterday

(By The Associated Press)
WASHINGTON, June 28.—Temperatures and abundant sunshine were declared by the weather bureau today in its weekly weather and crop review to have been generally favorable for crop growth, cultivation and harvest, in almost the entire country during the week ending yesterday.

Exceptions to the generally favorable conditions were noted by the bureau in the extreme northwest where it was too wet, in the district from the lake region eastward where the nights were rather cool and in many regions from the Ohio and Mississippi valleys westward where there was need of additional rain.

Warm and generally fair weather aided in the harvesting of winter wheat and considerable complaint was reported as to premature ripening caused by hot weather and of light and small heads in Missouri and of lightly filled heads in some Ohio valley districts.

Spring wheat generally made good progress with beneficial rains in North Dakota but rain was needed in Minnesota and some parts of South Dakota.

The crop deteriorated or made only poor progress in Iowa for the same reason.

The week was most unfavorable for oats except in the northeast and some central northern areas due to warm dry weather.

Rain was needed, according to reports in many parts of the corn belt, including western and northern portions of Iowa, central Illinois, north central and western Nebraska, and the greater part of Indiana. Rain helped the crop in eastern Kansas, eastern Nebraska and Missouri.

"We may thank the Lord," began the Rev. B. H. Eckley, "for the privilege that we have been given by having had the first lady of the state of Illinois in our midst. She has been a mother to us all."

Then followed the spoken burial rites of the First Methodist church. As the words "ashes to ashes, dust to dust," were read by the minister, an assistant dropped two snow white lilies and two white roses on the casket. The entire plot was covered with a carpet of flowers, tributes from Illinois and neighboring states.

Services at the residence began promptly at 3 o'clock. Reverently men, women and children bowed their heads in silent prayer, while, at the same moment, people of the entire state paused to mourn.

The ceremony was conducted by ministers of the First Methodist church.

The ceremony at the house concluded with a short memorial read by the Rev. Harry B. Lewis of Norman, Ill.

Surviving Mrs. Small in addition to the governor, are two sons, Leslie C. and Budd L., and one daughter, Mrs. Ida Mae Inglesh, wife of Colonel Inglesh of the governor's staff, two grandsons, two brothers and one sister.

BANDITS RELEASE BIELASKI AFTER RANSOM IS PAID

Kidnaped Man Expected to Arrive in Mexico City Last Night

(By The Associated Press)
MEXICO CITY, June 28.—A. Bruce Bielaski, the American who was captured several days ago by bandits in the state of Morelos was delivered by his captives to friends at Chietla this morning, following payment of a ransom of \$10,000 in gold. This afternoon Bielaski with his party was reported to be proceeding by train to Mexico City. It is expected he will arrive here some time tonight. According to the meager information reaching the capital, the release of Mr. Bielaski was without untoward incident.

With the Bielaski kidnaping apparently entering its final phase, attention now is centered on the Tampico oil region, where 40 Americans are being held by the rebel general, Gorozave, for ransom. Confirmation of reports that Gorozave has captured the Americans reached here this afternoon in a private message from Tampico. The message said money for the ransom of Americans was being forwarded to Gorozave from Tampico.

HAS LONG CRIME RECORD
ST. LOUIS, June 28.—A man held here charged with the theft of an \$88 pin from a local jewelry store, today admitted he was Herbert M. Rothery, sought since 1892 for escaping from the Mariborough prison in England. He also is said to be wanted in Syracuse, N. Y., and in Washington for jumping a \$3,500 bond, and for escaping from the Maryland penitentiary and the Fort Madison, Iowa, prison.

THOUSANDS IN ATTENDANCE AT SMALL FUNERAL

Two Thousand Automobiles Are in Funeral Procession

(By The Associated Press)
KANKAKEE, Ill., June 28.—All Illinois joined today in a final tribute at the grave of Mrs. Ida Moore Small, as she was laid to rest in Mound Grove cemetery, amid a requiem of sobs from a multitude of persons who had known her practically from childhood.

Governor Small broke down as the last rites were said by the Rev. B. F. Eckley, a former pastor of his wife's church, and as the deceased received the tribute of "first lady of the state," and of Ida Small, the mother, wife and friend.

Crowds lined the street from the home to the cemetery. The straw that had been spread to prevent any traffic sound from reaching the chamber where she had lain before death came made the passing of the funeral cortege strangely silent.

Flowers were everywhere. Twenty-first automobiles carried those offerings that had been in the house and two trucks held the tributes that had arrived too late to be taken to the home.

No wheel of industry turned during the day in Kankakee. Official Illinois paid its tribute by closing the capitol at Springfield and attending the services in a body.

From 10 o'clock, when the casket was opened, until 2 o'clock, when it was closed, and the services at the home were started, thousands filed thru the living room to gaze for the last time upon the earthly remains of Mrs. Small.

The Rev. George H. McClung, pastor of the First Methodist Episcopal church of Kankakee, conducted the services at the home. He paid a brief but glowing tribute to Mrs. Small as "a queen of the home, as a mother who lived for her husband and her children."

Two Thousand Autos in Line
At 4 o'clock the casket was closed and the long procession to the family plot in Mound Grove cemetery began, with more than 2,000 automobiles in line, a guard of honor composed of the members of Company L, of the old third regiment of Illinois Guardsmen led the procession. The Guardsmen had asked that they be allowed to escort her body to the grave.

At the cemetery the service was the simple interment of the Methodist church, given by the Rev. Eckley. The services thruout the afternoon were marked by simplicity, in keeping with the life led by the woman who had died.

Officials of war companies said that more than 3,000 messages had been received offering sympathy and condolences to the governor and the other members of his family.

Nearly 10,000 persons gathered at the grave for the final services. The mourners included state officials, men and women of wealth, workers and their families. It was a truly representative gathering of the great commonwealth who came to mourn with Governor Small and his family.

PRESIDENT HARDING INVITES MINERS AND OPERATORS TO MEET

Sets Date for Saturday to Meet and Devise Methods Upon Which Negotiations to Settle the Strike Can be Initiated—John L. Lewis Accepts in Behalf of the Miners

(By The Associated Press)
WASHINGTON, June 28.—Invitations went out from the white house today asking the leaders of the striking miners and the representatives of the employing coal operators in both the bituminous and anthracite fields of the United States to meet President Harding Saturday "to devise methods upon which negotiations for the settlement of the coal strike can be initiated."

The communications made it evident that careful discussions with spokesmen of both sides had preceded the call, and prompt and ready acceptances are expected immediately.

John L. Lewis, chief of the United Mine Workers, who remained in the city after a personal interview with the president, accepted at once in behalf of the union.

The wording of the president's message was interpreted as demonstrating the desire of the administration to hold the meeting above the controversies which have deadlocked the unionized section of the industry since April 1.

Official but informal comment emphasized it was the intention that the conference should be held merely to discuss ways and means for a settlement and not to take up the miners' demands for continuation of war time wages, scales, nor the operators' demand in the bituminous field for separate district wage agreements supplanting the semi-national wage contracts that heretofore have been made. It was expected that when the meeting assembled the president or his cabinet members who have participated in the preliminary efforts would have a further program.

Davis Gives Out News.
Secretary Davis, who has conducted the negotiations with the union for the government, gave the first news of the action contemplated after a prolonged conference today with the president, and official copies of the invitations were given out later. Alfred M. Ogle, president of the National Coal Association was asked to notify the association's subordinate operators' organizations to name representatives for the meeting, while S. D. Warriner, of the anthracite operators' committee, was invited to represent anthracite operators with the understanding that an additional anthracite spokesman should participate.

Owing to the large number of individuals and corporations engaged in bituminous production, it was said, the national coal association had undertaken to name representative group for the conference.

The president invited, in addition to Mr. Lewis and John Brophy, head of an anthracite miners' district at Clearfield, Pa., 23 other district presidents of the Mine Workers' organization.

WRITE RATES ON CATTLE AND MEAT INTO TARIFF BILL

Republicans Vote Solidly While Democratic Ranks Split

(By The Associated Press)
WASHINGTON, June 28.—Rates on cattle and meats written into the tariff bill with the approval of the Republican agricultural tariff bloc and ranging generally higher than those in the house measure, were approved today by the senate by overwhelming majorities. Not only did the Republicans vote solidly for the first time since the bill was called nine weeks ago, but there was the first real split in the Democratic ranks.

Five roll calls were demanded and all showed about the same results. The first was on the rate of one and one half cents a pound on live cattle weighing less than 1,050 pounds and two cents a pound on such cattle weighing more than that amount and the result was 48 to 15. Senators LaFollette and Norris, Republicans who consistently have opposed duties in the bill, voted with the solid Republican majority while Democrats who support the committee amendment were Ashurst, Arizona, Jones, New Mexico; Kendrick, Wyoming; Pittman, Nevada and Sheppard, Texas.

The second roll call was on the committee amendment to increase to 3-1-2 cents the two cent rate proposed by the house, fresh beef and veal. The vote was 47 to 18, with six Democrats voting with solid Republican majority.

Without record votes the senate approved rates of \$2 a head on sheep and goats, as compared with one cent a pound in the house bill, and 2-1-2 cents a pound on fresh mutton and goat meat as compared with the house rate of 1-1-4 cents. The committee amendment to increase the duty on lamb from the 2 cents 1/2 to 5 cents was approved on a roll call 43 to 18. The senate then voted, 43 to 1, to increase to two cents a pound the house rate of 1-1-4 cents of bacon, hams, shoulders and other pork, prepared or preserved. Next it approved 37 to 16, a rate of five cents a pound on lard compared with 20 per cent ad valorem on American valuation. There was no contest over the proposition to raise to four cents the house rate of 1-1-4 cents a pound on reindeer meat, venison and other game. There was also little contest over the "basket clause" duty of twenty per cent ad valorem on meats fresh, prepared, or preserved, no specially provided for.

MANY ENROLL FOR SWIMMING LESSON
A number of persons have already made reservations for swimming lessons in the classes to be conducted at Illinois Woman's college during the summer. Over 50 persons have enrolled for the lessons to be given by Miss Margaret Hamilton and there will probably be still others.

The pool at the college will be open to men two evenings each week, from 7:30 to 8:30 o'clock Wednesday and Friday evenings. There will be a class for boys from six to 12 years of age at 10:30 each Tuesday morning.

EIGHTY ONE HURT IN TRAIN WRECK

(By The Associated Press)
ELKINS, W. Va., June 28.—While the death toll had not exceeded one tonight, the number of injured in the wreck of a Western Maryland railroad train at Limerock today had grown to eighty-one.

Of the 81 injured, nine were in serious condition at hospitals tonight.

The wreck occurred when the rear car of the train left the rails. This car contained 105 alleged striking miners who were under arrest charged with taking part in a disturbance at Thomas last night. Seventy-eight of the injured were miners and the others were guests.

NO CHANGE IN STRIP MINE POLICY

(By The Associated Press)
SPRINGFIELD, Ill., June 28.—No change in the policy regarding the operation of strip mines was made at the meeting of District Number 12 of Illinois, of the United Mine Workers of America held here today it was announced by mine chiefs as they were leaving for Washington tonight.

President Frank Farrington, Vice President Harry Fishwick and Walter Nesbet, left tonight for Chicago from where they will go to Washington to attend the conference called by President Harding.

GIVE IRON MAN VOTE OF CONFIDENCE
Danville, Ill., June 28.—After canvassing the situation for several hours tonight, officers and members of the Danville Pans association decided that "Iron Man" Joe McNulty is doing everything possible to build up the local Three Eye team. A vote of confidence was given him, and it was decided to retain him as manager.

Haven't you ever noticed that
in this locality about the time the
farmers are beginning to feel
desperate over the drouth and the
corn crop that a good rain falls?
That's the reason this is known
the world over as the corn belt.

It was necessary to pay a \$10-
000 ransom to secure the release
of an American down in Mexico.
Of course this was the deed of
bandits and not of government,
but the time must come when the
government there is held to strict
accountability. If it cannot con-
tinue lawlessness then some other
nations must take the responsi-
bility.

Mr. Harding has formally in-
vited the operators and coal min-
ers to meet with him at Washing-
ton and figure out some plan for
opening negotiations with each
other. It seems silly to think
that the miners and operators
must confer with a third party to
determine on the manner in
which they may talk to each other.
Nevertheless, it's a delicate
situation and must be handled
both with administration finesse
and forcefulness.

About 70 per cent of the im-
mense fleet of the Shipping Board
is "eating its head off in ex-
cessive idleness." On the other
hand 80 per cent of the British
merchant fleet is in active op-
eration. Most of the foreign ship-
ping business of the United
States is being carried in those
foreign ships. Is it any wonder
that President Harding is urging
prompt enactment of the mer-
chant marine bill?

Again the United States is tak-
ing the lead in navigation of the
air. A helicopter has been de-
signed by American inventors.
Emil and H. A. Berliner, and
successfully flown in the pres-
ence of experts from the Navy.
It rises vertically into the air,
makes horizontal flights at the
will of the operator, and descends
on any small predetermined
space. Years ago Prof. Langley
invented, and the Wright bro-
thers developed, the airplane, but
it remained for foreign govern-
ments to give the necessary as-
sistance to its perfection. The
same has been true of other
American inventions, notably the
submarine. Let us take a lesson
from the past, and give such en-
couragement to our present day
geniuses as will preserve to our
own benefit the products of their
minds.

**HOT WEATHER
PHILOSOPHY**
(Chicago Journal of Commerce)
With the arrival of the heat-
ed term, usually referred to in
heated terms, come exposures
quite as dangerous as those of
cold weather. It is difficult to

keep a cool head in a hot place,
and a hot head is never at its
best.

Both physical and mental exer-
tions more of a strain than in the
other seasons, and for that reason
there should be a slowing down to
moderation—particularly in hours
not devoted to business. A clerk
cannot dance half the night at an
amusement park and do a normal
day's work when the mercury is
doing a balancing act at the top of
the thermometer.

One of the things many people
neglect is the proper change of
diet for hot weather. They change
what goes on the outside of them
to suit the season, but not what
goes inside of them. Certain
foods heat the blood, and others
are cooling. Rich, heavy, solid
meals may give good results in
zero weather, but light eating and
cooler foods is better when heat-
ed humidity characterizes the at-
mosphere.

People grow fretful, impatient,
explosive under high tempera-
tures unless fortified by a cool
diet, moderation, and a cheerful
state of mind. But with a light
breakfast, a light lunch and a light
dinner it is astonishing how a
man's average comfort may be in-
creased under hot suns. And
what goes for the master of the
house applies equally to the mis-
tress. She has her trials when the
town simmers in torrid sunshine.
Perhaps she is quite as near "all
in" when the master arrives home
after the day's work as he is—and
her work is not finished. A phi-
losopher-husband will remember
this in hot weather.

We have in this country our
most generally observed holiday
season in mid-winter—two weeks
preceding January, indifferently
observed by most busy men, but
always popular with the young.
England handles the holiday sea-
sons better. There the Christ-
mas period is not only generally
observed, but some two weeks of
mid-summer holidays as well,
which give the people rest and
pleasant recreation when most
needed. We are too busy in our
chase for riches to yield to any
general holiday period in summer,
but individuals crowd the moun-
tain and seaside resorts.

But whether or not a vacation
comes to us when the dog star
rages, we can all keep sweet if we
modify our manner of living so
that it complies with the weather.

FORMER RESIDENT IS MARRIED IN KANSAS

Neil R. Morrissey and Miss Mad-
elyn Slattery United in Marri-
age at Independence, Kansas.

A number of local residents will
be interested in learning of the
marriage of Neil R. Morrissey and
Miss Madelyn M. Slattery, which
occurred recently in Independence,
Kansas. The groom is a son of
Mr. and Mrs. William Morrissey,
now living near Murrayville. The
family formerly resided in Jack-
sonville and have many friends
here.

The marriage ceremony was
performed Tuesday morning at
St. Andrew's church in Independ-
ence, Kansas, by Rev. Father M.
J. Casey. Only a small company
of relatives and friends witnessed
the ceremony.

Following the ceremony a wed-
ding breakfast was served at the
home of the bride's parents, and
later the couple left for an east-
ern wedding journey. Upon their
return they will make their home
in Independence.

Mrs. Morrissey is a graduate of
the nurses' training school at St.
Mary's hospital in Winfield and
has for some years practiced her
profession in Independence.

Mr. Morrissey went to Independ-
ence two years since as a represen-
tative of the Kirk Soap Co., of
Chicago, and now holds the posi-
tion of city salesman for that com-
pany.

The boys will congregate at Grace
M. E. church at 7 o'clock, and
with their pup tents and other
necessary supplies will hike to the
park to pitch camp.

After the campfire has been
started the boys will roast hot
dogs, which with several other
dainties will make their repast.
After the supper scout work will
be executed and an evening of
story telling will be enjoyed.

Taps will be sounded at a reason-
able hour, which means that
everything must be absolutely
quiet with the exception of an oc-
casional fire cracker or two which
are essential in the life of a boy.
The return hike will take place
early Friday morning following a
dive in Morgan lake.

Frank Caldwell of this city
who is now in Detroit will leave
soon on a business trip to New
York.

LITERBERRY

The name of Mrs. Ellis Thomp-
son was thru error left out of the
official report of the Literberry
M. E. Society last week. Mrs.
Thompson was elected Recording
Secretary, Mrs. D. H. McCarthy,
Corresponding Secretary.

Rev. Ben Johnson preached a
fine sermon Sunday morning at
the Baptist church from the sub-
ject, Consecration; text 1 Chroni-
cles, 29-5. "Who then is willing
to consecrate his service this day
unto the Lord?"

The Literberry Mission Circle
will meet at Chestnut Hill Farm
with Mrs. Warren Daniels on Fri-
day afternoon, the 30th.

Mrs. Charles Mullens is report-
ed on the sick list.

Rev. and Mrs. J. L. Wallace and
their adopted daughter Rosalie,
of the Concord M. P. parsonage
drove to Literberry Friday morn-
ing and spent the day at Sunshine
Cottage.

Lee Alvin Decker, last Thurs-
day, when barefoot in the home
yard walked on a rusty nail and
has a very sore foot.

The ice cream supper given on
Saturday evening at the Baptist
church was a success. This sup-
per was given by the three classes
of young people of the Baptist
Sunday school.

Arthur Litter and family of Oak
dale farm visited his parents, Mr.
and Mrs. Jesse Litter last Sunday.

Miss Georgia Litter and her
friend, Miss Lulu Hubbard, both
of Jacksonville, were enjoying
Sunday in Literberry.

The Litterberry farmers are
busy in the wheat cutting just
now. Arthur Litter and Howard
Litter finished their fields last
week.

Mrs. Lizzie Coons of St. Louis
is visiting her friends in our town
and this week she is spending at
Lily Cottage with Mrs. Fannie
Litter.

GOING TO CALIFORNIA
Mr. and Mrs. P. R. Briggs, 337
Pine street, expect to start tomor-
row for Hermosa Beach, Calif.,
to be away two months. Their
many friends will wish them a
very pleasant journey and a happy
time in the golden state.

GOING TO OKLAHOMA
Mr. and Mrs. E. E. McPhail and
child expect shortly to start for
Pona City, Oklahoma, to visit
their daughter, Mr. L. R. Haw-
kins and Mrs. McPhail's half bro-
thers Walter and Frank Clark, at
Marland, fourteen miles distant
from Oklahoma.

CLEAN SPORT EXPECTED IN GAME HERE SUNDAY

What is said to be one of the
cleanest and gentlemanly baseball
teams in the country will play
Jacksonville next Sunday when
the team representing the Court
of Honor Life Association of
Springfield meets the Indians. The
team is sponsored by wealthy men
of Springfield, who are lovers of
clean sport, and contains only
young men who are associated
with the office work in Spring-
field.

Dr. G. M. French, Medical Di-
rector of the Association acts as
director and coach of the team;
M. J. McGlenon, Manager; John
Murray, Business Manager. They
will be accompanied to this city
by L. M. Dixon Secretary of the
Life Association and J. W. Water-
man, agency supervisor. One of
the cleanest games of the season is
expected when these fine young
men meet the Indians.

WILL ATTEND SCOUT COUNCIL AT CULVER

Rev. G. E. Stickney Will Repre-
sent Local Scout Organizations
at Ten Day Meet.

Rev. G. E. Stickney will attend
the Boy Scout leaders conference
at Culver, Ind., next month. This
action was decided upon at a meet-
ing of Scout Masters Wednesday
morning. The expense for send-
ing Mr. Stickney will be borne by
the various Boy Scout troops of
the city.

The scouts have gladly accept-
ed the invitation of Dr. E. L. Hill
to police the grounds of the state
hospital during the Fourth of
July celebration. Incidentally the
Scouts are to have the concession
privileges and the opportunity is
thus afforded them of a profit
which will pay the \$50 expense of
the scout leader's council repre-
sentation, and put an additional
sum into the general treasury or
into the treasuries of the separate
troops.

The council will be held in con-
nection with the woodcraft school
for boys at Culver Military acade-
my. The regional director of
Boy Scout movements will be the
dean of the Scout Leaders council
and the program for the period
from July 20 to 30 will be of
great value to Boy Scout leaders.
The work in connection with the wood-
craft school, which is attended by
several hundred boys. Only 32
Scout leaders can be accepted and
the only fear that the local men
have is that the applications from
Jacksonville will be too great.

Among the Scout leaders in
Jacksonville are Ben Roodhouse,
Dr. Thomas Smith, Rev. C. D.
Robertson, Harry Walker, L. L.
Horen, G. H. Putnam and Rev. G.
E. Stickney.

It was at the request of some of
his associates that Mr. Stickney
consented to attend the council
and the various leaders here are
certain that he will bring back
with him information that will be
of certain value to all the Scout
organizations of the city.

RETURN FROM YOUNG PEOPLE'S CONFERENCE

Jacksonville delegates to the
Presbyterian Young People's con-
ference held in Petersburg re-
turned Wednesday morning. The
conference was attended by the
representatives of young people's
organizations thruout central Illi-
nois. Classes were held each
morning with well known church
men and women as leaders in the
discussion of subjects especially
related to the work of young
people.

In the afternoon there were
programs of sport and various
other forms of recreation. The
Jacksonville delegates included
from State Street church: Carol
Langer, Vivian Pires, Mary Flor-
eth, Thompson Brady and Robert
Brady; from Westminster
church: Misses Margaret Miller
and Dorothy Ellis and Robert
Bentley.

FARM HOME BURNS NEAR MANCHESTER

Residence of John Stewart Com-
pletely Destroyed by Fire—
Other Items From Manchester.

MANCHESTER, June 28—The
home of John Stewart about
three miles west of Manchester
was completely destroyed by fire
at about 10:30 o'clock Tuesday
morning. The fire originated
from the explosion of an oil stove
and as there was no one at home
at the time the flames gained
such headway that it was impos-
sible to extinguish them. Mrs.
Stewart arrived at the scene soon
after the fire was discovered and
was badly burned while attempt-
ing to reach the telephone. The
house and its contents burned to
the ground, and as there was only
partial insurance the loss will be
considerable.

The Royal Neighbors held their
annual picnic Wednesday on the
lawn at the home of Mrs. J. H.
Langdon. There were twenty-
five present, the rain interfering
to some extent with the attend-
ance and with the program ar-
rangements. A splendid dinner
was served at the noon hour and
afterwards came several hours of
social pleasure.

Mrs. Mary Rousey entertained
the following guests at dinner
Wednesday: Mrs. Effie Lawson,
Mrs. Eva Haynes, both of Alcoe,
N. Y.; Mrs. Effie Brown and son
of Roodhouse; Rev. P. H. Rein-
hart of Jacksonville; Mr. and
Mrs. Alonzo Edwards and son
Paul Wayne; Dr. and Mrs. G. N.
Lucas, Mrs. Ethel Rousey and
daughter Ruth.

Mrs. F. C. Lakin is reported on
the sick list at present.

Mrs. Harry Craig of Woodson
spent Tuesday with her father,
M. S. Howard. The latter is re-
covering from recent injuries sus-
tained when he was thrown
against the side of an automobile
and badly bruised and shaken
up.

Mrs. N. J. Rochester returned
Tuesday evening from Bath,
where she has spent the past
week.

Mrs. Effie Lawson and Mrs.
Eva Haynes of Alcoe, N. Y., have
spent the past week with rela-
tives and friends in this vicinity.

Rev. and Mrs. Fred Peak of
Girard are visiting Robert Bar-
ber and family east of town.

Mr. and Mrs. George Blevins
and Russell Chapman took ad-
vantage of the excursion to Keo-
kuk and Ft. Madison Sunday.
They report a very pleasant trip.

BLACKHEADS are Embarrassing

Oh! how can I get rid of them and enjoy the glory of a clear skin?

Don't despair! S. S. S. will lead you into a world you probably have never known before—a world of joy, where strong light and love are welcome, where spotted-faced embarrassment is no more!

S. S. S. makes the blood rich and pure, and when your blood is freed of impurities, your stubborn blotches, pimples, blackheads, acne, rash, tetter and skin eruptions are bound to disappear.

Miss Ethel Rose, 422 E. Water St., Painted Post, N. Y., writes: "I was troubled with pimples on my face, neck and chest. I was advised to take S. S. S. I found it as claimed, as it certainly purified my system and my complexion is now clear."

MONTHS OF SUFFERING

How a Baltimore Girl Recovered Her Health

Baltimore, Maryland.—"For several months I suffered with severe backache and general weakness. I could not sleep comfortably at night for pains in my back. I found your book at home one day and after reading it began at once to take Lydia E. Pinkham's Vegetable Compound. I have had very good results and some of my girl friends are taking it now. You may use this letter to help other girls, as the letters in your book helped me."

—ROSE WARDNER, 3018 Roseland Place, Baltimore, Md.
That is the thought so often expressed in letters recommending Lydia E. Pinkham's Vegetable Compound. These women know what they have suffered, they describe their symptoms and state how they were finally made well.
Lydia E. Pinkham's Vegetable Compound is a medicine made from medicinal roots and herbs, and without drugs, to relieve the sickness women so often have, which is indicated by backache, weak feelings, nervousness, and no ambition to get anything done or to go anywhere. It has helped many women. Why not try it?

CONDITIONS MORE NORMAL
AT C. P. & ST. L. SHOPS
About sixty men are now working regularly at the C. P. & St. L. shops here. The planing mill began operations this week, thus giving employment to some additional men, and it is probable that before many weeks still other workmen will be back in the shops. The sale of the C. P. & St. L., which was rumored several weeks ago has thus far failed to materialize, although the resumption of activities at the shops was taken by some persons as a sign that there was strong probability that a sale would be made soon.

FATE OF KIDNAPED AMERICANS REMAINS UNSOLVED MYSTERY

No Further Word Received By Government from Consul Shaw

(By The Associated Press) WASHINGTON, June 28.—What may have happened to 40 American employees of the Cortez Oil company captured by rebels near Tampico and held with the company's property for ransom, remained a mystery tonight, although the rebel raid occurred last Sunday morning. No further word has come from Consul Shaw at Tampico or from any other source since the consular dispatch of Monday saying the lives of the Americans and \$250,000 in destructible property were held as

BLACKHEADS GO QUICK BY THIS SIMPLE METHOD

Blackheads—big ones or little ones—soft ones or hard ones—on any part of the body, go quick by a simple method that just dissolves them. To do this get about two ounces of calomel powder from your drugist—sprinkle a little on a hot, wet sponge—rub over the blackheads briskly for a few seconds—and wash off. You'll wonder where the blackheads have gone. The calomel powder and the hot water have just dissolved them. Pinching and squeezing blackheads only open the pores of the skin and leave them open and unsightly—and unless the blackheads are big and soft they will not come out, while the simple application of calomel powder and water dissolves them right out, leaving the skin soft and the pores in their natural condition. You can get calomel powder at any drug store and if you are troubled with these unsightly blemishes you should certainly try this simple method.

security on 48 hours notice for a payment of 15,000 pesos.

Department officials would not admit in any formal way that they felt any uneasiness because of the lack of information, but there is known to be considerable perplexity here over the fact that Consul Shaw has not informed the state department as to steps taken by the Mexican federal authorities to obtain release of the Americans.

The period granted by Gorazave, the rebel chief, for payment of the ransom had elapsed even before the department's advice were made known here.

The Washington department today still withheld any step that might lead the way to demands that the Mexican government give the Americans in jeopardy protection. The attitude at the state department was the reports now available, serious as the situation appeared to be on the face of Consul Shaw's message, did not justify dispatch of warships to Mexican waters or any similar step.

Message Does Not Check Up

There is one point in which the message of Consul Shaw does not check up with what was previously understood in official circles here to be the situation in the Tampico region. The consul's message said there were no Mexican federal forces in the vicinity of the Agurda camp of the Cortez Oil company where the raid and capture took place. Other reports indicate that there are at least 2,500 Mexican federal troops in the Tampico region.

Until recently there were approximately 15,000 Mexican federal troops in the Tampico district. The troop concentration there was one of the largest in the Mexican army indicating the importance attached to maintaining firm hold of the oil regions by the Mexico City authorities and also presumably, the condition of unrest prevailing in that region.

Labor and other disturbances to the south of Tampico a short time ago resulted in the movement of considerable bodies of troops to other points. The result was a heavy reduction of the available forces near Tampico and it was this condition, it was pointed out here today, which probably gave Gorazave his opportunity.

BIG SIX GIVEN AN OVATION

(By The Associated Press) SARANAC LAKE, N. Y., June 28.—(Big Six) Christy Mathewson, idol of baseball fans the country over, for the first time since he became ill a few years ago, his life despaired of, walked out to the mound today wound up ad tossed a perfect strike while thousands cheered themselves hoarse.

"Mattie" was accorded a demonstration from the moment his car came on the field and he hurried out the first ball of the season. Fully 2,000 persons crowded the field, Mattie, well and gave no sign of having waged his great fight against tuberculosis.

After a procession headed by a band, players on both teams that opened the season, local officials and fans had escorted Mattie, his wife and Christy, Jr., to a point behind the plate, Mattie left the machine and amid lusty cheers walked firmly to the mound. He straightened to full height, raised the ball aloft, partly wound up and then rubbed his shoulder—he had been sent in "cold."

As he tossed the ball to the catcher, an ovation was accorded him that continued until he had returned to his car and was driven slowly to center field, where he watched the game.

It was the opening of a small circuit, the bushiest of the bush leagues, but to the thousands of fans who have watched Mattie's fight for health, it was the return to the diamond of one of the greatest figures in baseball. Fans have ever known a victor in a grim fight with death.

JAMES RICE GOES TO WEST POINT

BRIEFS

(By The Associated Press) WASHINGTON, June 28.—Tariff duty of 3 1-2 cents a pound on fresh beef and veal recommended by the senate finance committee was approved today by the senate by a vote of 47 to 18. Six Democrats, Ashurst, Jones, New Mexico; Kendrick, Pittman, Shepherd and Broussard voted with the 41 Republicans present for the committee amendment.

QUINCY, ILL., June 28.—The town's club today passed resolutions condemning the lawlessness in Williamson county which resulted in the recent murders and requested that Governor Small bring the perpetrators to speedy justice and remove from office the officials responsible for this condition.

SPRINGFIELD, ILL., June 28.—Corn in central Illinois is suffering from dry weather and widespread chinch bug damage, according to the weather bureau's crop bulletin issued today.

MEXICALI, Lower Calif., June 28.—Fire which broke out in the Owl cafe and gambling house here last night caused damage estimated at more than \$500,000. Liquor valued at \$200,000 was saved.

FREEPORT, ILL., June 28.—Martha Pittman, 53, is dead, and her brother-in-law, Robert J. Stewart is in a serious condition as a result of injuries sustained when the car in which they and three others were riding, plunged down a 30 foot embankment near here. Mrs. Dittmar was the widow of C. J. Dittmar, four times mayor of Freeport and president of the State Fish and Game commission during Gov. Duan's administration.

GRANITE CITY, ILL., June 28.—Prevention of crime was the principal subject discussed at the 25th annual convention of the Illinois Police association which opened here today. Two hundred and fifty delegates were in attendance.

OMAHA, Neb., June 28.—Eben K. Long, 96, said to have been the oldest member of the Masonic lodge in Nebraska died at the Masonic Home, Plattsmouth yesterday. He became a Mason in 1853.

ANNACORTES, Wis., June 28.—Edwin U. Judd, 96, who at Ripon, Wis., in 1854 signed a call for a mass convention that resulted in formation of the Republican party, is dead. Woodrow Wilson used Mr. Judd's story of the founding of the Republican party in his history.

FRIENDS ARE AMAZED OVER HER RECOVERY

Chicago Woman's Experience with Tanlac is Talk of Neighborhood—Gives Full Details About Trouble.

"My friends congratulate me on my healthy appearance (since I took Tanlac and I am always glad to tell others about it," said Mrs. Nettie Bohnenkamp, 817 N. State St., Chicago, Ill.

"For over a year I suffered terribly from what was said to be high blood pressure. At times I seemed to have no feeling in my limbs and these numb spells were followed by attacks of rheumatism so bad I could hardly walk. My head ached at times until it seemed it would split open, and my entire system was run down and weak.

Five bottles of Tanlac entirely relieved me and whether I ever had high blood pressure or not I never feel a touch of it now and never have a rheumatic pain or headache. I have so much energy and strength I can keep at my housework for hours. No one can say anything too good for Tanlac."

Tanlac is sold by all good druggists.—Adv.

READER TAKES NEWER FORM OF IRON—FEELS YEARS YOUNGER

"Six weeks ago I saw a special offer in the paper telling how thousands of people grow old in looks and energy long before they are really old in years, because, as examinations by physicians have shown, an enormous number of people do not have enough iron in their blood. I have been taking Nuxated Iron for two weeks; the results are simply astounding. The roses have come back in my lips and cheeks, and I can conscientiously say that I feel ten years younger."

The above is a typical hypothetical case showing the results that have been achieved by a great many people since we started this "satisfaction or money back" offer on Nuxated Iron. We will make you the same guarantee. If, after taking the two week's treatment of Nuxated Iron, you do not feel and look years younger, we will promptly refund your money.

Perfect Foot Comfort

Note this Diagram

The arrow indicates where your weight is distributed normally and in a properly fitted shoe—center of heel, ball of foot and under great toe. Pressure elsewhere indicates improperly fitted shoes and, sooner or later, discomfort and genuine foot troubles.

Take a shoe that you have worn for a time and put your hand inside and run your fingers over the inner sole; you will notice the indentations made which will show exactly where your weight is being placed.

Almost every foot trouble is due to a shoe too narrow, or short, at the ball of the foot and is easily corrected.

If you are suffering from any foot discomfort whatever drop in and let us examine your feet—our advice will cost you nothing and place you under no obligations. We are experts in this work.

WEDDINGS

Ruble-Cravens

The marriage of Stewart S. Ruble of Prentice and Miss Myra L. Cravens of Pisgah was solemnized at the office of Justice of the Peace W. D. Dyer Wednesday morning. Witnesses to the ceremony were K. W. Ruble and R. S. Groves.

The bride is the daughter of Mr. and Mrs. Fred Cravens. The groom is the son of Mr. and Mrs. George Ruble.

Miller-Finney

The marriage of Victor Miller of Greenfield to Miss Gertrude Finney also of Greenfield, was solemnized Wednesday afternoon at the home of Rev. T. H. Tull on West College Avenue.

Mr. Miller is the son of Mr. and Mrs. Christopher Miller of Greenfield and Miss Finney is the daughter of Mr. and Mrs. Fred Waley of that city. They will make their home in Greenfield, where they are well and favorably known.

Marquard-Wilner
Herman Marquard and Miss Edna Wilner both of Jacksonville were married last night at the parsonage of Salem Lutheran church. Rev. J. G. Kuppel the pastor of the church was officiating minister.

The bride's gown was of blue taffeta and she carried a bouquet of bride's roses. Miss Donovan wore a gown of gray and blue silk tulle.

The young couple were accompanied to the minister's home by Miss Camille Donovan and Homer Massey. After the wedding a luncheon was served to a limited number of friends and relatives at the home of the bride's parents, Mr. and Mrs. Albert Wilner, 304 Howe street.

The Wilner home was prettily decorated for this event, pink and white being the color scheme followed in the dining room, while ferns and sweet peas were used as decorations in the parlors.

Mrs. Marquard has been employed at Kresge store and has attended the Lutheran school. She has been a resident of this city all her life and has a host of friends to wish her much happiness.

The groom has been living at 304 Howe street but will now reside east of town. He is an employee of Jacksonville packing company.

The out of town guests were Mr. and Mrs. E. E. Truter, Springfield; Mr. and Mrs. Nelson Dickson, Springfield; Mr. and Mrs. Elmer Foster, New Berlin.

NICK CARTER

AUTHOR SUICIDES

Facing Ruin Because his Books are no Longer Read Takes Own Life.

DETROIT, Mich.—Nick Carter is dead, Marion F. Schwab of the Brooklyn Public Library said here recently in an address at the convention of the American Library Association. "This author" said Mr. Schwab, "facing financial ruin because his books were no longer sold, committed suicide a few months ago. Not only Nick, but many other books once popular with boys, are no longer finding readers. The old fashioned type of western story with its fighting and its shooting does not furnish half the thrills that may be had from accounts in the daily newspapers now."

"The World War with its tales of real heroism and valor, the Boy Scout movement, the great advance in science, the schools' emphasis upon current events and upon technical training, have created a demand for a new type of books for boys. They still ask for adventure and excitement, but it must be up to date and realistic."

"Many of the best books for boys published in recent years are the work of new writers. The reason that boys like them was expressed by one boy when he said, 'This is a good book because it gives you credit for having some sense.'"

SISTER FELICIA IS SERIOUSLY ILL

Sister M. Felicia, Mother Superior of Our Saviour's hospital, is seriously ill and a report from the hospital Wednesday night indicated her condition growing steadily weaker.

Sister Felicia was for a long period on the staff of nurses of the hospital and then after spending some time at the Mother house returned nearly twelve years ago to become Mother Superior of the hospital.

With her associates she worked zealously for the building of the hospital addition and it was a great source of worry to her during the years because the hospital facilities were not adequate for the demands. She has lived to see her hope an accomplished fact, and those who know her intimately realize that her earnestness in the work for hospital betterment was a factor in her illness.

The many people who have come in contact with Sister Felicia thru the years and have come to know the gentleness and devotion of her life will greatly regret now to know of her serious illness.

Mention was made recently of the application of Antonio Sardinha of 967 North Prairie street for passport which will permit him to journey to the Island of Madeira. Application was made to the office of the circuit clerk and has been granted. Mr. Sardinha expects to sail from New York City July 5 and at Funchow will visit his mother, whom he has not seen for more than thirty years.

PAVING PROCEEDINGS IN COUNTY COURT

In the county court proceedings have been filed by the board of local improvement for the paving of North Main street from North street to the Wabash railroad. Harrison King was named as commissioner to levy the assessment. Proceedings have also been filed for East State street improvement No. 3, extending from the railroad to Johnson street. M. A. Hulett is the commissioner for this street.

CALDWELL STREET HOUSE IS TWICE SOLD

The real estate records show the sale of the residence property at 221 Caldwell street by William McNamara to J. E. Osborne. The transfer has not been completed but Mr. Osborne has sold the property to Charles Patton, who will remove with his family at an early date.

NEW FILTRATION PLANT SOON READY

Expected to Be Completed in About Two Weeks — Will Double Capacity of the Plant.

The new addition to the water filtration plant will be finished in about two weeks if present plans materialize. The work in the new coagulating basin has been delayed recently because of the failure of the International Filtration Company to deliver the pipe fittings on schedule time. It is expected that they will be on track in a day or two and that the work will take about two weeks to complete after they are delivered.

The new addition to the building will probably be finished in the course of ten days and will be a great improvement because of the crowded condition of the machinery in the plant.

The concrete work of the coagulating basin has been completed entirely and is an excellent piece of work. The concrete is setting in perfect condition and in several days will be ready for use.

The new filter plant enlarges

the capacity of the plant over 600,000 gallons for twenty-four hours, while the present plant has a capacity in itself of 1,500,000 gallons. The new coagulating basin will handle 1,500,000 gallons which will exactly double the capacity of the previously used basin.

When the Declaration of Independence was written

people were still carrying money bags and paying their bills in cash. It was not until many years afterwards that this practice was discarded in favor of the modern way of paying bills by check.

You may be sure that if Thomas Jefferson, Benjamin Franklin, John Hancock and the others were living today they would follow the modern practice of paying their bills by CHECK.

SURVIVORS IN COLLEGE TOURNEY

PHILADELPHIA, June 28.—Two middle westerners, one easterner and one Pacific coast representative remain in the singles championship tournament of the intercollegiate tennis association as a result of the fifth round play today.

The survivors are Walter Westbrook, Michigan; Wray Brown, Washington University, St. Louis; Phillip Neeh, Leland Stanford and L. E. Williams, Yale.

Brown caused the first big upset of the tournament when he took the measure of James Davis, Leland Stanford. The match went three sets, 6-1, 1-6, 6-4.

UMPIRE OWENS BADLY INJURED

DETROIT, Mich., June 28.—Umpire "Brick" Owens sustained a bad contusion and the ligaments in his left side were torn when he was struck by a foul trip from outfielder Veach's bat in the fourth inning of the Chicago-Detroit game this afternoon.

It was further reported the collar bone was broken, but a specialist after an examination tonight said there was no fracture.

WHITE SOX STEP INTO THIRD PLACE

Defeated Detroit in Second Game By Score of 4 to 1—Helmman Still Out of Tiger Lineup.

DETROIT, Mich., June 28.—Chicago gained undisputed right to third place in the American League standing today, winning from Detroit 4 to 1. Leverett held Detroit to three hits but Collins' error in the ninth inning saved Detroit from a shutout. The Tigers still were without the services of Helmman, who is nursing a strained shoulder. ELIS BLANK THE POSTOFFICE TEAM

Riggs Applies the Whitewash Brush for Victors—Sellers Has Arm Injured.

The Eli Bridge team defeated the Postoffice by a score of 3 to 0 in the Twilight league game at State hospital diamond yesterday. The game was a pitchers' battle between Riggs and Barnes. Riggs held the heavy hitting Postoffice team to three hits while the Elis registered five off of Barnes.

J. Sellers, catcher of the Post-office team, had his arm injured by a foul tip and was relieved by George Day. The score:

PITTSBURGH WINS FROM CHICAGO 7 TO 2

Aldridge Is Driven From Mound and Osborne Also Hit Hard.

CHICAGO, June 28.—Pittsburgh concentrated its attack in the 6th and 7th innings today, driving Aldridge off the mound and continuing the attack on Osborne, and easily defeated Chicago 7 to 2.

The game was halted for one minute at 4 o'clock, while all the players, officials and spectators bared their heads and stood silent out of respect for Mrs. Len Small, late wife of the governor of Illinois, who was buried today.

GREAT CONTESTS IN GOLF TOURNEY

Chick Evans Has Two Narrow Escapes but Wins Out—Other Matches are Also Close.

KANSAS CITY, Mo., June 28.—Two rounds of match play in the western amateur golf tournament today produced what were said to be some of the greatest contests ever seen in any titular competition, and closed with several stars eliminated and several others left in only through breaks in luck which came when they seemed defeated.

Harrison Johnston of St. Paul, Minnesota, state champion, fell before Francis Gaines of Omaha, after he seemed to have the Nebraska well in hand, and "Chick" Evans had two narrow escapes, being forced to go 21 holes to eliminate Eddie Held of St. Louis and trailing Bob McKee of Des Moines until the youngest cracked under the strain after having played sensationally.

Two other matches went into extra holes and several were not decided until the 18th green were reached. Dave Herron, Chicago, former national amateur champion, did not have a hard day, although he defeated Ray Oulmet of Kansas City, brother of the great Francis, only 1 up.

The western junior champion, Burton Mudge, Jr., of Chicago, won at the 18th hole in the second round from Clarence Wolff of St. Louis, 2 up, when he conceded the hole after being faced with the necessity of putting a 20 foot ployme ball square in the hole.

Wolff's ball hung on the lip of the cup. Mudge previously had beaten A. M. Barrett, Ottumwa, Ia., three times state champion, in 22 holes.

Aside from the three extra hole contests and a 33 on the first 9 by Fred Wright of Los Angeles, the most spectacular work came in the game between Evans and McKee. McKee apparently believing from the morning game that he had the champion off form, shot sensationally at the start and soon took a one hole lead, which he held on the 12th.

Awaits Opening.
Both made the turn under par, but Evans was content until an opening came, feeling sure he could take advantage of it, and that is just what happened.

On the 366 yard par four, 12th McKee's second strike a tree and landed in a pit. Chick put his second four feet from the pin. McKee finally holed out in five, conceded Chick a birdie 3 and the match was squared.

"Chick's" drive on the 178 yard 16 was ten feet from the pin for par 3 but McKee's drive was hooked well to the left and his pitch back was short. His best was a four which made Evans one up. The strain seemed to be showing for McKee put his second in a sand pile and then after an almost impossible pitch back to six feet from the cup missed the putt and lost the hole and match.

BOSTON BREAKS LOSING STREAK

BOSTON, June 28.—Boston broke its losing streak today and defeated Brooklyn 5 to 4. Four hits and an error enabled the Braves to make four runs and tie the score in the 8th. Two singles, a double and a pass sent over the winning run in the 9th. Score Brooklyn— . . . 020 100 010—4 8 1

WHEAT AVERAGED
LOWER IN PRICE

By Associated Press.
CHICAGO, June 28.—Wheat
averaged lower in price today,
chiefly as a result of favorable
weather conditions and because
the Liverpool market showed but
little response to yesterday's ad-
vance here. The close was un-
settled at ½¢ net decline to 13½¢
and Sept. 11½¢ to 11½¢. Corn
lost 1¢ to 10½¢; oats 1¢ to 10½¢,
and provisions 5¢ to 10½¢.

Altho traders recognized that
showers which were of wide-
spread extent came too late to be
of much benefit to wheat except
in the spring crop region, the
moisture given to growing corn
was so apparent as to promote
bearish sentiment regarding all
grain. Meanwhile the action of
the Liverpool market suggested
that for the time being foreign-
ers were indifferent as to owner-
ship of wheat was emphasized by
gossip current that some export-
ers had cable requests to cancel
contracts for August shipments
black rust complaints from the
Red river valley in the north-
west had more or less to do with
a sharp but transient upturn in
wheat prices during the last half
of the session. Simultaneous
heavy buying of July delivery
was ascribed in some quarters to
elevator interests here that on
account of chances of a railroad
strike were desirous of changing
hedges to later months. Eastern
millers seemed also to have taken
notice of strike talk. Speculative
selling pressure broadened out
just before the close and price
gains were soon more than offset.

Corn and oats were eased by
the improved weather for grow-
ing crops. Active buying of July
corn and selling of September
was noticed.

Lower quotations on hogs
weakened the provision market.

CASH GRAIN
REPORT

By Associated Press.
CHICAGO, June 28.—Milling
demand for wheat was good in
the cash market today. The pros-
pective strike by rail men served
to stimulate buying. The sea-
board reported 100,000 bushels
sold in all positions. Bids to the
country shipment by July 15 to
the gulf were equal to 13½¢ over
Chicago July No. 1 red, track
gulf. Shipping sales were 25,000
bushels. Deliveries on June con-
tracts were 225,000 bushels.

The cash corn basis was un-
changed. Spot demand was good
and the domestic shipping de-
mand broadened out in anticipa-
tion of a rail strike. Shipping
sales were 155,000 bushels. Ex-
porters took 135,000 bushels out
of the market. Sales of 100,000
bushels were made to go to store
here. Vessel room was chartered
here for 200,000 bushels to
Georgian Bay.

The cash oats basis was un-
changed. Sales of 275,000 bu-
shels were made to go to store
here. Domestic shipping inquiry
improved and shipping sales for
the day totaled 71,000 bushels.
Cash lot receipts: Wheat, 28;
Corn, 300; Oats, 76.

IRREGULAR PRICES
ON STOCK MARKET

By Associated Press.
NEW YORK, June 28.—Dull-
ness and irregular price changes,
mostly within narrow bounds,
were the chief characteristics of
today's stock market. The turn-
over of barely 650,000 shares,
was the smallest of any full ses-
sion since the inception of the
spring boom.

Continued firmness of money
rates and the threatened strike
of the railway shopmen were
among the factors which gave
pauls to the market. Lack of
public interest also accounted for
the abandonment of pool opera-
tions and the aimless drift of the
list.

Independent steels, leading
motors and a few obscure spec-
ialties contributed to the market's
constructive side. Final quotat-
ions among rails were limited to
fractional gains or recessions.

Weekly surveys of the indus-
trial situation again emphasized
the deetert effects of the coal
strike,

TWO MORE STOVES

AT THE PARK

The park board wishes to explain why stoves for tourists are so scarce at Nichols park. Some weeks ago the Chamber of Commerce agreed to see that the stoves were made, as they are of brick, and not at all complicated. A committee was named and one of them was sick and so the matter dragged along till Tuesday night when the chamber of commerce decided the park board should have the stoves erected. Otis Hoffman had agreed to donate the brick.

The report was made to the president of the park board who asked the chamber of commerce why they didn't decide that way at the start and then the stoves would have been up long ago.

With characteristic generosity and public spirit Messrs Ellsworth Wells and Son agreed to donate the mason work so the stoves will soon be in place.

Moral—If you want anything done, go yourself; if not, send.

Miss Virginia Bullard will take a limited number of pupils in piano for a summer term. No. 3 Duncan Place.

YESTERDAY'S RAIN

Yesterday morning quite a bit of rain fell and the but an insignificant part of what is needed still it did much good. A small amount fell eastward, considerable westward; south four miles out it was dry and west the shower was fairly good.

WELL KNOWN YOUNG PEOPLE MARRIED

Miss Willella Miller became Bride of Mr. Wood Phillips in Impressive Home Ceremonial.

The wedding of Mr. Wood Phillips and Miss Willella Miller occurred last evening at No. 6 Duncan Place, the Miller home, at 8 o'clock. The Rev. William S. Phillips of Carlinville, Ill., the father of the groom, officiated. About one hundred and fifty guests were present. The house had been turned into a lovely bower of flowers and ferns. The library, where the ceremony was performed, was decorated in green and white; the dining room was in the pink and white of roses and queens lace; and the hall and living room were in green and white.

Preceding the ceremony the Conservatory Orchestra played several exquisite selections, following which Mrs. Barr Brown sang "Values" by Vanderpool; "Take Joy Home," by Bassett; "Come, it is June," by Bassett; and "At Dawning," by Cadman. These songs were given with much beauty of tone and warmth of interpretative power.

On the completion of the group the orchestra immediately started the wedding march from "Lohengrin." The officiating minister, Rev. Mr. Phillips, took his position in front of the banked ferns in the library, and the bride was preceded down the stairway by Master William McIntosh Phillips, ring bearer, Jean Rantz, flower girl, and Miss Eula Priest, bridesmaid. William Phillips, brother of the groom, acted as best man, and with the groom took position just as the bride arrived.

The bride was given away by her mother, Mrs. S. M. Miller, before the pastor. The ring ceremony was used and upon the completion of the ceremony the guests pressed forward to congratulate the bride and groom. Those who assisted in receiving the guests, in addition to the bridal party and parents of the bride and groom, were, Mrs. William Phillips of Chicago, Mrs. Frank Phillips of Monmouth, C. N. Priest, Mrs. E. H. McCoy, Mrs. John Larson, Mrs. Abraham Gregory, Miss Louise Holmes, Miss Jessie Holmes, Mrs. Barr Brown, Miss Ella Minter, Mrs. C. E. Scott, Mrs. E. W. Brown, Mrs. Mary Osborne, Mrs. Francis Rantz.

The bride is the daughter of Mrs. S. M. Miller of Jacksonville. She graduated from the high school at Michigan City, Ind., later attended Fairmount Seminary at Washington, D. C., and was graduated from the Mary Wood Hinman School of Gymnastics and Esthetic Dancing, of Chicago. Recently she has been associated in business with her mother at the Miller Hat Shop.

The groom is the son of Rev. and Mrs. William S. Phillips of Carlinville, Ill., formerly of Jacksonville. He attended the Jacksonville high school, Whipple Academy, Illinois College, and the Illinois Wesleyan University of Bloomington, Ill. For a number of years he has been connected with J. Capps & Sons in the book-keeping department and is now head of the accounting department.

The bride was charming in a costume of white Canton crepe beaded with satin beads, her veil of tulle trimmed with beads and trimmings, and flowed down gracefully over her court train of heavy crepe remain with bands of georgette edged with satin beads falling from her shoulders. She carried a shower bouquet of lilies of the valley. The ring bearer, Master William McIntosh Phillips, was clad in white satin. The flower girl, little Jean Rantz, wore a dress of orchid organza trimmed in blue and orchid ribbon. The bridesmaid, Miss Eula Priest, was in blue crepe remain beaded in crystal and carried a bouquet of orchid sweet peas. The groom's mother wore black Spanish lace over chamoise, and the bride's mother was in orchid lace over canton crepe.

Refreshments were served after the ceremony and the bride and groom left at 9:15 o'clock last night over the Washash for Chicago. They will visit Minneapolis, St. Paul, and vacation points nearby. Many beautiful presents were received from the numerous friends of the happy couple. Mr. and Mrs. Phillips are to be at home at No. 6 Duncan Place.

Out of town guests included Mrs. F. W. Robinson and Mrs. Louise Daniels, of Warrensburg, Mo.; Mrs. J. H. Osborne, Chicago; Mr. and Mrs. Uel J. Sinclair, Ashland; Rev. A. L. Wood and family of Auburn; Mrs. Martha Walbaum of Ashland; Mr. and Mrs. Frederick Buck, Jr., Springfield; Mr. and Mrs. Frank W. Phillips of Monmouth; Mr. and Mrs. William Phillips of Chicago; and Rev. and Mrs. William S. Phillips of Carlinville.

President Suspenders, are slightly soiled, 25c, today at FRANK BYRNS Hat Store.

FOUND ROADS MUDDY Yesterday morning Mr. James of the Swift & Co. plant made a trip to Mercedosa, accompanied by Mrs. James, his daughter Betty and son Jack, Dorothy Graham, Robert Mullenix. The joy of the return trip was marred by the heavy condition of the roads. At the Collins corner the machine skidded into the ditch. Another autoist with a cable came to Mr. James' rescue and the party eventually reached the city in good form.

Best off Suspenders, a few pairs slightly soiled, 20c a pair today, FRANK BYRNS Hat Store.

CLUBS AND SOCIETY

Entertained Members Of Sunday School Class.

Mrs. John Johnson entertained her Sunday school class of State Street church last evening at her home, 225 Lockwood Place. A delicious supper started the affair and many games followed. The children of the class are: Barbara Dunlap, Eleanor Chapin, Fay Mahoney, Dorothy DeFrates, Patricia Wichehouse, Gretchen Beadle, Howard Roberts, Glen Beeley. The guests were Dr. and Mrs. L. Adams and Minna Margaret Adams.

Brooklyn Church Ladies Aid Meets

The Ladies' Aid of Brooklyn church held a called meeting at the home of Mrs. J. E. Bossarte on South East street Wednesday afternoon. There was a good attendance of members and various matters were given attention. It was decided to hold a picnic for both circles at Nichols Park on Thursday, July 6th and members are invited to come and bring their baskets. It was also decided to hold the annual burgoon on the church lawn Thursday, August 4. Light refreshments were served during the afternoon.

Grace Church Women at Sewing.

The needle work and hospital committee of the Ladies' Aid of Grace church met at the church yesterday. The ladies had planned to hold their meeting at the Baxter Camp north of the city but the road in that direction were so bad that the ladies retraced their steps toward home. The day was spent in sewing for the hospital, and a very delicious dinner was served at noon.

Mr. and Mrs. Pontius left Wednesday evening for Freemont Indiana for a months vacation.

CHILDREN'S OUTING FUND GROWING

A good boost for the children's outing fund came yesterday with Mrs. Sarah L. Conboy's check for \$20. Another friend made a contribution of \$1 and there were some other receipts during the day which have not been reported.

The Social Service league, following the custom established last year, will supervise an outing for thirty boys and thirty girls from the poorer families of Jacksonville families of Jacksonville. A week has been reserved for each group at the Rotary club cottage. More than \$100 is still needed for this fund.

If you want to make a contribution of any size leave it at the Courier or Journal office or with M. C. Hook in the Ayers National Bank building.

NEW OWNERSHIP FOR ABSTRACT BUSINESS

Walter and A. F. Ayers Make Sale to M. C. Hook and Earl M. Spink — Agreement for Transfer Reached Yesterday.

Informal announcement was made yesterday of the sale of the business of the Morgan County Abstract & Title Co., owned by Walter and A. F. Ayers to Earl M. Spink and M. C. Hook. The details of the transaction have not been made public but it is understood that the transfer is to take place in the course of the next few days.

This sale will in no way affect the insurance business of Walter & A. F. Ayers, which will be conducted as heretofore. Mr. Ayers decided to dispose of the abstract business because of his wish for greater freedom, and he is soon to leave for a vacation visit of a number of weeks in the east.

Messrs. Hook and Spink stated that for the present at least the business will be continued at the present location in the Wilson building on West State street, which has housed it thru so many years. J. E. Bentley, who has been in Mr. Ayers' employ, will continue as chief abstractor under the new ownership. The business was established many years ago by the late Judge Edward P. Kirby and subsequently passed into the ownership of Walter and A. F. Ayers. A year or two since the business was incorporated under the name of the Morgan County Abstract and Title Co.

Mr. Ayers is accounted one of the substantial business men of Jacksonville and his many friends will be glad to know that he is disposing of only a part of his holdings.

Mr. Spink and Mr. Hook will of course continue in the business in which they are already engaged but will give some attention to the abstract office and will have the entirely reasonable hope of developing the business. They are active, capable young men.

FORMER RESIDENT DIES IN FAR WEST

Mrs. John A. Gunn Passed Away Following Stroke of Apoplexy at Tekoa, Washington.

Mrs. John A. Gunn, a former resident of this county died recently at her home in Tekoa, Washington. The Blade, published in that city, gave the following facts about her death.

Mrs. John A. Gunn, 72 years of age, passed away at the family home on the north side of town, following a stroke of apoplexy about a month ago. The stroke not only paralyzed her limbs but her throat as well, and she was unable to take any nourishment. Her last days were a lingering process of gradually weakening. Funeral services were held Thursday afternoon at 2:30 o'clock from the Methodist church with the pastor Dr. M. H. Marvin in charge. He was assisted by C. W. Simpson of the Christian church. At the close of the solemn rites the remains were borne to Goldenrod cemetery and laid to rest.

Julia Ellen Van Blaircum, was born in Morgan county, Illinois, on June 7, 1850. She was married to John A. Gunn in Illinois on December 25, 1872, to which union six children were born, one passing away in childhood. There remains to mourn her loss the husband, one sister, Mrs. W. R. Walker of Freeman, Mo., and the following children: Mrs. C. M. Ryple of Tekoa, James Gunn of Wheatland, Wyoming, Mrs. George Walters of Clayton, New Mexico, Mrs. E. A. Dunston, of St. Maries, Idaho, and Mrs. C. O. Shepherd of Montrose, South Dakota. Seventeen grandchildren and two great-grandchildren also survive her, as well as an aged uncle in the east by whom Mrs. Gunn was raised, her parents having died during her childhood.

Mr. and Mrs. Gunn left Illinois 15 years ago, spending two years in Iowa five years in Wyoming, and the last eight years in and about Tekoa. They returned to Tekoa just before Mrs. Gunn's fatal illness after a residence of several years across the line in Idaho.

She became a Christian in early life uniting with the United Brethren church, and afterwards became a member of the Methodist church. She has led a consistent Christian life, was a faithful and loving wife and mother, and will be greatly missed by the sorrowing relatives.

SCOUTS OF TROOP FOUR ENJOYING OUTING

Ball Game a Feature of Wednesday Program—"Capture the Flag" Contest Scheduled for Today.

Mercedosa, June 28.—While the members of Scout Troop No. 4 were enjoying breakfast at 7:30 this morning they were pleasantly surprised by the arrival of Mr. and Mrs. Charles Cully and daughter Tollette and Mr. and Mrs. P. G. Stein and son Harrison, who came down in Mr. Stein's car to spend the day with the boys as John and Ed Cully and Gerald Stein are members of the troop.

During the morning a splendid rain came as relief altho it hindered the outdoor games for several hours. The rain was preceded by some wind which was much needed as the wind-mill pump did not work all day Tuesday and the water tanks were getting low.

Homer Ranson arrived about two o'clock to spend the afternoon and a portion of Thursday with the Troop. Mr. Ranson is a member of the Troop Committee representing Central Christian church.

During the afternoon a ball game was enjoyed. Homer Ranson and Earl Hoover formed the battery for one team while Scoutmaster Roodhouse and Al McCarty formed the battery for the opposing team. Five innings resulted in a victory for Ranson's team.

Mr. Cully took the train back to Jacksonville and the remainder of the visitors are staying over until Thursday on account of the heavy roads caused by the rain today.

Thursday the Troop expect to have some real sport in the "Capture the Flag" contest; in the meantime Graff's division Orange flag is still floating to the breeze.

to show that his division leads as point winner in all contests to date.

Ice cream supper at Lyanville Christian church Friday evening, June 30; will also serve sandwiches. Be sure and come.

HEAR FROM COLLEGE STUDENTS

Letters received from several of the twenty Illinois College fellows who have been working in the Willys-Overland plant at Toledo have written to friends here that they are more than satisfied with their positions. They state that a great deal of grade amusement is afforded them and that accommodations of board and room are as good as could be expected. They are spending a very enjoyable summer even tho they are working.

FORMER MURRAYVILLE MAN DIES IN W

Harry Crouse Passed Away Tuesday at Culver City, Calif.—Was Born and Reared in Murrayville.

A message received in Murrayville Wednesday morning told of the death of Harry Crouse at his home in Culver City, Calif. The deceased had been in poor health for a number of months and his death was therefore not unexpected.

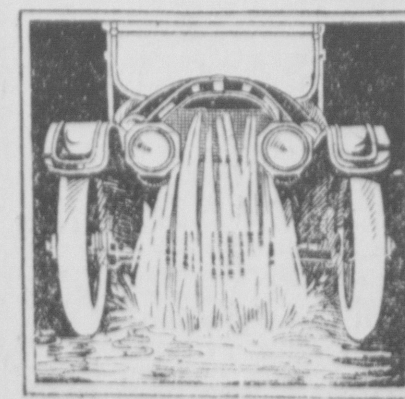

Mr. Crouse was thirty years of age at the time of his death. He was a son of the late Marion and Mollie Crouse and was born and raised on the Crouse farm a few miles southeast of Murrayville. He was in the U. S. navy for eight years and at one time made a cruise of the world.

He is survived by his widow, who before her marriage was Miss Charlotte Winrich of Maine, and the following brothers and sisters: Mrs. Ethel Day, Roodhouse; Ralph Crouse, living in Colorado; Olin Crouse of Culver City, Calif.; Miss Eleanor Crouse of near Murrayville. One sister, Helen, died a number of years since. He leaves also his aged grandmother, Mrs. Mary Ellen Crouse, and his uncle, Dean Crouse, both residing near Murrayville.

The deceased was a thirty-second degree Mason and had for some years been especially noted in lodge circles. The funeral will be held today at Culver City and interment will be made there.
